

Sins of a Father

(Drama)

Marcy's father walked out on Marcy and her mother two years ago during that time he remarried and started a new family now he shows up to persuade Marcy that he wants her back in her life and he wants her to meet her new half-sister and his wife when Marcy, refuses her father accuses her of abandoning him.

MARCY: Now wait just a minute..

May I remind you that you walked out on us Dad.

You walked on US! Not the other way around.

How can I be abandoning you when you left first?

And now you show up just because some time has passed,

you think everything is fine and dandy,

you think you can just waltz back into my life like nothing's happened?

And you expect me to meet your new wife and kid on top of that?

I always thought you were insane but now I'm sure of it, I don't know

what kind of fantasy takes place in your mind but this is the real world, Dad.

I have no desire to meet your new wife; I have no desire to be a big sister to your new kids.

I have no desire to see you, to know you anymore.

You don't even realize how much hurt you caused mom and me.

That's what really gets me...You have no idea the damage you do to people.

Maybe someday I'll change my mind,

but I doubt it for now. I don't care if I ever see you again. As far as I'm concerned, I have no father.
